September 10, 2019

Hello Oracle property owner,

This letter is to inform you that Oracle Fire District will be pursuing the annexation of the Campo Bonito area in Oracle, Arizona. You are receiving this letter because you own land in the proposed area, for which a map is attached for your reference.

Currently, the Campo Bonito area has no guaranteed fire coverage. Being in our Fire District will have many benefits including no liability for any charges incurred for response to any fire, the possibility of better insurance rates (depending upon your provider), access to grant-funded brush thinning, inclusion into the Oracle Firewise community, the opportunity for youth to join our Junior Fire Explorer program (ages 14 – 18 yrs), as well as other advantages.

A copy of the boundary change impact statement is available for review in the Oracle Fire Station front office, Monday through Thursday, 8am-5pm, at 1475 W. American Avenue, Oracle, Az.

Oracle Fire District will host a public hearing for the boundary change on Wednesday, October 2, 2019 at 6:00 pm at 1475 W. American Ave. (Oracle Fire station).

We look forward to your feedback and to meeting you soon.

Sincerely,

Fire Chief Robert Jennings
